

Small Group Exercise: Gaining Administrative Support for Your Chapter

1. Assess current level of administrative support, discuss:
 - a. Financial support
 - b. How personally involved is your administration in chapter programs and projects?
 - c. What involvement does your administration have on the regional and international level?
2. Brainstorm ideas concerning what can be done as a chapter member, officer and advisor to further bridge communications and administrative support for your chapter.
3. Solidify the top 2 ideas by integrating an idea for either a college project or honors in action activity and prepare to present to the whole group.

*The **college project** is determined by the chapter and college president. This project is identified and submitted to HQ as part of the 5 Star Chapter Development Program-star level 3. The project is intended to reach out to the college administration in an **effort to support college goals.***

*An **honors in action** project strategically **combines scholarship** (honors study topic: *The Paradox of Affluence: Choices, Challenges and Consequences*) **with leadership** (leadership development or partnering with another group) **or service** (international service program: *Operation Green: Serving Our Communities*) **and integrates a fellowship** component.*
